

## Task

The EOI student association has recently met to discuss various school-related issues. As the students' representative, you are in charge of informing the school management team about the students' opinion on how certain pedagogical aspects might be improved .

Using the notes you took at the meeting, write a report of approximately 150 words for the management team summarizing the pedagogical issues that came up at the meeting which you think could be of use to improve the quality of the classes.

EOI STUDENTS' ASSOCIATION MEETING

- Cinema in OV
